## F202 Advanced Lathe

The first F202 Advanced Lathe Class was held at Lakeland Community College in Kirtland, Ohio. This was a very successful class! The four-day class was taught by Mike Dempsey of Elm Grove, WI. The students were amazed how easy the class was and how much they learned in such a short time. One student commented that this class is "Absolutely Amazing"! This four-day class is designed for the student to take what they learned in the F201 Lathe Skills and refine those skills. Please contact the coordinator in your area or Pam Tischler at 972-612-0712 or [FSWProgram@Comcast.net](mailto:FSWProgram@Comcast.net) for a class in your area.

Back Row:

Stan Kaufman, Mike Dempsey (FSW Instructor), Frank Del Greco (NAWCC Chair), Tom Borkowski (FSW Coordinator), Dennis Potter

Front Row:

Eugene Fitch, Angelo Italiano, James Thomas, Lehr Dirks

## FSW Program Goes World Wide

FSW Program Travels to Canada! Dave Gorrell and Lehr Dirks taught 13 students the F101 Introduction to Basic Time & Strike...The American Kitchen Clock Course May 4-7, 2006 in Toronto, Ontario. The class was such a success that they are planning on having the F102 Time & Strike Clocks with Spring Barrels in Ottawa, Ontario May 24-27, 2007.

## Chapter 124 and 176 Donations

Chapter 124 and 176 has made monetary donations to the restricted fund of the Field Suitcase Program. These funds are used to develop new courses as well as upgrade tool kits as needed. We do not receive any money from the NAWCC for the program so all donations are greatly appreciated. Thank You!

## FSW Courses To Be Offered at the NAWCC 62<sup>nd</sup> National Convention In Chattanooga, TN in 2007!

The FSW Program will be offering the following courses with the 2007 National:

F101 – Introduction to Basic Time And Strike ...American Kitchen Clocks

F200 – Fundamental Skills for Clock Repair & Lathe Preparation

F201 – Lathe Skills (Prerequisite F200)

F301 – Introduction to Basic Pocket Watch Repair...The American Pocket Watch

The F101 and the F200 will be offered even though we will be only be having one of these classes depending on the interest. Contact Pam Tischler at 972-612-0712 or [FSWProgram@Comcast.net](mailto:FSWProgram@Comcast.net) for information.

## Three Successful Classes at the 2006 National in Cleveland Ohio

Ray Marsolek of Arroyo Grande, CA taught the F101 with students from Maryland, New Jersey, Ohio, Pennsylvania, Virginia, and Canada. Mike Dempsey of Elm Grove, WI taught the F201 Lathe Course with students from Connecticut, Kentucky, Michigan, and North Carolina. The F301 Pocket Watch class was taught by Jack Heisler of Grafton, WI and his students were from Ohio and Canada. Everyone really enjoyed the classes and many stayed around for the Convention. Thanks to the people of Ohio for a great class and show!

## Check The Web

The FSW Web Page is updated on a regular basis so if you have a question about the FSW Program, check it out. Overviews of each course and tool lists are there as well as the latest class schedule. You may also email Mike Dempsey, the FSW and Education Chair at [mike@clocksandthings.net](mailto:mike@clocksandthings.net) or Pam Tischler at [FSWProgram@Comcast.net](mailto:FSWProgram@Comcast.net).

## Looking For Coordinators!

The FSW Program will come to you to teach any of the eleven (11) courses we offer! It is easy to be a Coordinator and if you are interested, contact Pam by emailing [FSWProgram@Comcast.net](mailto:FSWProgram@Comcast.net) or phoning 972-612-0712. Remember we have a Coordinator Incentive Program (CIP) where the Coordinator takes the course free if he/she has eight (8) paying students.
