- FSW Classes At The 2007 National
- Chapter 124 Raffle

Same Letter, New Name

The FSW Program has always been an integral part of the Education Committee. At the Education Committee meeting in June, it was decided to increase the committee to be more than just a FSW Program and to include a variety of educational opportunities to chapters and members of the NAWCC. It is our intention to provide the same quality and professional services that you have counted on with the FSW Program and carry this on into other educational opportunities. Watch for updates in future newsletters.

Friend of the FSW Program

Congratulations to Tom Borkowski, NAWCC Star Fellow, of Kirtland, Ohio! Tom has received the "Friend Of the FSW Program" award. When a Coordinator has held 15 classes, they are eligible for this honor. Thank you, Tom, for a job well done as a Class Coordinator!

Chapter 28 Donation

Lake Erie Chapter 28 has made a monetary donation to the FSW Restricted Fund. Several of the FSW Students and NAWCC members have also made monetary donations some of which have been Memorials for those NAWCC members that are now deceased. These funds are used to develop new courses as well as keep the tool kits updated as needed. Thank you Chapter 28 and its membership as well as all others that have made donations to the FSW Program.

Looking For Weekend Classes?

The FSW Program will be offering 2 day, weekend classes in 2008. These classes will have the same quality education that you expect from the FSW program but in a very specific subject format. This is under discussion and the class material will be finalized soon. If you have any classes that you would like to see, please email the FSW program at FSWProgram@Verizon.net.

FSW Course To Be Offered at the NAWCC 63rd National Convention in 2008!

The FSW Program will be offering the following courses with the 2007 National:

F101 – Introduction to Basic Time And Strike ...American Kitchen Clocks

F102 – Time & Strike Clocks with Spring Barrels

F301 – Introduction to Basic Pocket Watch Repair...The American Pocket Watch

Contact Pam Tischler at 972-612-0712 or FSWProgram@Verizon.net for info.

Two Successful Classes at the 2007 National Convention

Two Successful Classes at the 2007 National in Chattanooga, TN – George Orr of Oklahoma City taught the F101 Introduction to Basic Time & Strike...The American Kitchen Clock Movement Course with nine students. There were three students from Georgia, two from South Carolina, one from Florida, one from Michigan, one from Missouri and one from Tennessee.

The F301 Introduction to Basic Pocket Watch Repair...The American Pocket Watch Course was taught by Jack Heisler from Grafton, WI and Lehr Dircks from Loudonville, OH. They had a large class with thirteen students who came from Georgia, Florida, Illinois, Indiana, Ohio, Tennessee and Virginia. This was a treat for the students to have two instructors for this course.

Lone Star Chapter 124 Raffle

Chapter 124 held a Raffle at their Regional for the F200 Fundamental Skills Course that was taught in May of 2007. The Raffle was \$5 per ticket and the Chapter raised \$415. A chapter member won the Raffle and donated it back to the Chapter for someone to take the course that would not normally be able to do so. The excess \$140 was donated to the FSW Restricted Fund. What a great idea this was and thanks to Chapter 124's Secretary/Treasurer, Bruce Wooldridge, with coming up with the idea!
