NOMINATING AND ELECTIONS COMMITTEE (NEC)

OPERATIONS MANUAL

Revision Approved – Aug 23, 2017

Purpose of Committee: To conduct the business of managing the election and appointment of members of the Board Of Directors and elected members of the NEC, as defined in the NAWCC Bylaws Article III, Section 2 (g) and Article IV, Sections 1 through 8; and Standing Rules Article VIII, Sections 1, 2, 3. The aforementioned documents thoroughly define the purpose and requirements of the NEC. The attached Calendar specifies the month-by-month details of the NEC's responsibilities.

NEC Relationship to the NAWCC Board: The NEC reports to the Board and is comprised of two members appointed by the Board from Board members serving their final term; two members elected by the NAWCC membership who must possess Board or NAWCC Museum Trustee experience; up to four non-voting advisory members to be appointed by the Committee Chair if so desired; Executive Director (ED), a non-voting member of the committee. All terms except the ED are for four (4) years with half appointed/elected every two years. The NEC elects its own chair.

The committee by design maintains a slightly independent relationship with the Board, operating freely within the instructions laid down in the Bylaws and Standing Rules. However, the Board must approve operating changes made by the NEC and amended Bylaws or Standing Rules must be published.

Responsibility for Documents: Frequent communication with the Board is required to ensure common purpose for the following NEC published documents:
* Board members’ eligibility criteria.
* Calls for election and appointment nominations.
* Self-nomination form.
* Summary of any election candidates’ qualifications.
* Election ballots and Bulletin biographies.
* NEC audit of the third party vote counting.
* Certification of election results.
* Annual report to the Board.
* Annual budget request to the ED.
